

Level 3 Early Years Educator

Discover the Early Years Educator Apprenticeship, with full support provided to meet all requirements.

18 Months

Awarding Body:

Early Years Educators play a crucial role in supporting young children's learning and development, while ensuring their health, safety, and well-being are prioritised.

This apprenticeship provides the skills and professional behaviours needed to work effectively across a variety of early years settings, including day care, children's centres, and preschools.

THE APPRENTICESHIP COVERS:

- Learning and child development
- Key person and attachment
- Safeguarding
- How to be playful and creative
- Being vigilant and acting with professional curiosity
- Equality, diversity, and inclusion

EPA / APPRENTICESHIP ASSESSMENT:

1. Observation with questions
2. Professional discussion underpinned by a portfolio of evidence

Apprentices will also work towards Functional Skills Level 2 in Maths and English, if not already exempt.

This apprenticeship is suitable for anyone in a junior early years practitioner role.

Apprentices will develop key skills and behaviours to support their progression towards level 3 early years educator. The role will involve planning and supervising child initiated and adult led activities, supporting children to develop numeracy and language skills, observing each child and shape their learning experience to reflect their observations and much more.

The Early Years Educator Apprenticeship may be a gateway to further career opportunities, such as early years educator and childminder.
