17-20 Months

Awarding Body:

Specialist Teaching Assistants work collaboratively with colleagues to inspire and support learners, helping them to make meaningful progress and achieve success.

This apprenticeship equips individuals with the knowledge and skills to plan, deliver, and adapt learning activities that enhance educational outcomes and meet diverse learner needs.

THE APPRENTICESHIP COVERS:

- Advancing learning
- Planning and assessment
- Regulation and guidance
- Communication and professionalism
- SEND behaviours
- Social, emotional, and wellbeing behaviours

EPA / APPRENTICESHIP ASSESSMENT:

1. Observation with questions
2. Professional discussion

Apprentices will also work towards Functional Skills Level 2 in Maths and English, if not already exempt.

This apprenticeship is suitable for anyone in education looking to specialise.

Apprentices will develop key skills and behaviours to support progression towards level 5. Apprentices will learn to build relationships with learners, families, other professionals, and external agencies to support the educational needs of the students they assist.

The Specialist Teaching Assistant Apprenticeship may be a gateway to further career opportunities, such as PGCE – Postgraduate Certificate in Education or Bachelor of Education (BED) degree with QTS .
